

ABSTRACT

Zamojska Eva, *Alternatywność i innowacyjność w edukacji współczesnej – na przykładzie Czech [Alternative and Innovative Approach in Modern Education – on the Example of Czech Republic]*. Kultura – Społeczeństwo – Edukacja nr 1, 2012, Poznań 2012, pp. 105–119, Adam Mickiewicz University Press. ISBN 978-83-232-2470-9

The article in its introduction does present an attempt of facing the difficulties in defining alternativity and innovation in education, taking as the basis opinions of Polish and Czech pedagogists and theoreticians. Second part of the paper is made by a description of examples of alternative and innovative educational activities undertaken in contemporary Czech Republic.
